

## Reading Graphical Texts (8OVC5)

**Task:** Read and answer questions about graphical texts before completing an activity.

**Step 1:** Run *Reading and Writing Achievement*.

**Step 2:** Log in by clicking on your class and name, or by clicking on the **Guest** button.

**Step 3:** Click on the **Graphical Texts** button.

**Step 4:** Click on the **Tutorial** button. Then, select **Essentials** from the tutorial menu.

**Step 5:** Listen and read along through the tutorial. As you complete reading each screen, click the right arrow at the bottom to move to the next screen.

**Step 6:** When prompted, complete the multiple-choice and short answer questions. Check your answers.

**Step 7:** After completing the tutorial, select one of the five reading selections and complete the activities.
