

Writing Information Paragraphs (8W3)

Task: Complete a tutorial to write a well-developed paragraph. After, you will have an opportunity to write your own paragraph and self-assess it with a checklist.

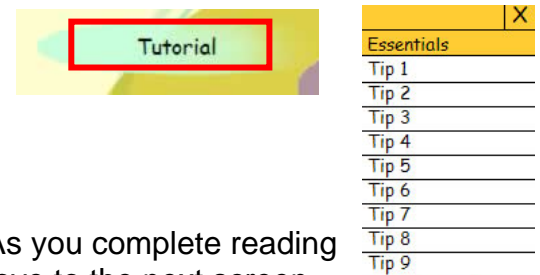

Step 1: Run *Reading and Writing Achievement*.

Step 2: Log in by clicking on your class and name, or by clicking on the **Guest** button.

Step 3: In the “Writing” box, click on the **Information Paragraphs** button.

Step 4: Click on the **Tutorial** button. Then, select **Essentials** from the tutorial menu.

Step 5: Listen and read along through the tutorial. As you complete reading each screen, click the right arrow at the bottom to move to the next screen.

Step 6: After completing the tutorial, click on **Assess Student Writing**. Select a passage of student writing to assess. When finished, click on **Menu**.

Step 7: Click on **Writing Tasks**. Select a writing task to complete. Follow the instructions on the screen. Be sure to use the checklist to evaluate your paragraph.

Step 8: If directed by your teacher, click on **Print Your Paragraph**.

Step 9: Click on **Menu** to return to the main screen.

Step 10: Click **Exit** at the bottom left to quit the program.
