

Using a K-W-L Chart to Plan the Presentation for a Research Project (7OVC4)

Task: Finish your K-W-L chart to help you plan your presentation for your research project.

Step 1: Run *Appleworks 6*.

Step 2: Open your K-W-L chart.

Step 3: Fill in your final “L” column, to record, in point form, what you have learned about your topic.

Step 4: Save and print your results.
