

Adding details to written work: Activity 1 (7W5)

Task: Read a sample paragraph and record your questions about missing details.

Step 1: Open the template file following your teacher's instructions.

Step 2: Read the paragraph. The paragraph is in the middle column of a table. There is an empty column on the left and the right of the paragraph. Use these columns to record questions you have about the information in the paragraph.

Type your questions or comments below:	Canada Becomes a Country: Confederation	Type your questions or comments below:
	In the 1850's and 1860's, many changes took place in the colonies of British North America. As well, events occurred in Great Britain and the United States which affected British North America. In 1867, these changes and events led to the union of the British North American colonies to form a new country. There were six main reasons why some people were in favour of Confederation.	

Step 3: To record a question, click in an empty cell and type your question.

Remember the three E's: Expand...Extend...Elaborate!

Step 4: When you are finished, save and print your work.
