

Book Review (6W3)

Task: Complete a book review by creating a mini book using computer technology .

Step 1: Run AppleWorks 6.

Step 2: Open the template file. Save the file using a name as directed by your teacher.

Step 3: In each square (except number 5), click to the right of each colon and fill in your own words. Describe the characters and the setting. Explain the theme and the plot.

Step 4: You will have to flip the text in boxes 1,2,7 and the Book/Author box.

To do this:

a) Click on  in the toolbox.

NOTE: If you can't see the toolbox, click on  at the bottom left corner of the screen.

- b) Click on **Setting**.
- c) Click on **Arrange**.
- d) Choose **Flip Vertically**.
- e) Click on **Arrange**.
- f) Choose **Flip Horizontally**.
- g) Adjust the text boxes so that they fit within the dotted lines.
- h) Do the same thing for 1, 7 and the Book/Author boxes.

Step 5: After printing, cut out the book pages around the solid line.

Step 6: Draw a picture in box 5.

Step 7: Use directions 6W3_ book_review_instruc2.cwk to fold the squares into a mini book.
